

Parent Survey for 2009

To help the staff and committee at H.O.O.S.H we need your feedback to help us plan for 2009

Please take time to fill in this sheet that way we can be sure that we are meeting the needs of the families in our care.

Parents Name _____ Child's Name _____

Holidays

As parents are aware we open all school holidays except Christmas where we close for 4 weeks giving the staff annual leave. We have done this as in previous years the demand for care on these weeks was so low it made it impossible to open. As our families change each year we would like to know if this is still the case or families now need care. Can you please make sure you fill in only the holiday care you will be applying for, if we should open so we can accurately assess our numbers?

School closes Dec 18TH

We will definitely be closed between 25/12/09 to 15/01/10

We require care on 18/12 to 24/12/09 18/1/ to 22/1/10

We will definitely be open from 25/01/10

I had many parents ask about care in December so we need to know if there is a need that we open up to Christmas then close for the 4 weeks.

Please note do not say you need care if you are not going to enroll your child.

After School activities

We are always looking at after school activities for your children and would like to know any ideas parents may have. As parents are aware we have been taking the children to tennis lessons we now have music lessons twice a week and dance lessons. We have again secured funding for our active after school care program and this will change each term bringing in instructors for physical activities such as boot camp martial arts. These do change each term and because of the large amount of children we do have some age based programs such as boot camp for yrs 5 and 6.

Do you have any other ideas on activities you would like for your child inside or outside of the centre?

Afternoon Tea

Thank you to all families and children involved in helping us with our 4 week winter / summer afternoon tea menu. This was a great success and with the help of the nutritionist we feel we have some great menus but there is always room for improvement.

Is there something you or your children would like to see on the menu? LET US KNOW

Thank you for your time perhaps there are other things you would like to see at H.O.O.S.H let us know. We want to know what our families needs are. We can only do this with your help.
